Suggestion and Grievance Procedure & Form

Use this form if you have an issue with or a suggestion for a Director, Coach or Assistant Coach(s). If there is a problem with a Participant from a MidValley Pop Warner Association, first address your issue with the Head Coach if at all possible (put your concern in writing). Please be respectful of the Coaches and other player's time when bringing up your suggestion or grievance.

If you are upset about something specific, we encourage you to use the **24-hour cool down rule** and write down on paper the scenario that is causing you concern and make sure that you set aside time to discuss this with the Coach and/or Vice-President. The 24-hour cool down period will hopefully prevent you and/or the other party from saying anything that you or he/she may regret.

Use this form to put your concern in writing. You can either hand this form to the Association Vice President or mail it to the address listed below. The Grievance Committee will address the issue(s) as quickly as possible.

If you have a problem we want to know about it. However, in the interest of the team and each individual, we need to manage issues this way. We want our participants to look at us as role model. Thank you for your cooperation. The last thing we want is adults setting a poor example for the players. We encourage you to not ignore issues and let them fester. If your child has a problem, we want to know about it as soon as possible.

Thank-you for your cooperation,

MidValley Pop Warner League and Association boards
