

## 2009 End of Season MVPW Updates

### PPK results

Thank you for helping make PPK a success. Collectively MVPW players raised nearly \$22,000 this year. PPK largely supports the scholarship program and the purchase of new player and drill equipment. With several new teams and nearly 300 extra players compared to 2008, we were definitely heavy on equipment expenses this year!

Congratulate the following teams for being the top earners in their division. Each team received a pizza feed delivered to a practice. The overall top earner, PW Cowboy White, will receive a credit towards their end-of-season party.

- TM Bengal Orange, \$697
- MM Bengal Black, \$720.77
- JPW Cowboy Blue, \$859
- PW Cowboy White, \$2,276.05
- JR Raiders, \$1,257
- SR Raiders Maroon, \$702
- Cowboys Gold Cheer, \$55

### MVPW will no longer keep birth records on file

For the past several years, MVPW has kept copies of birth certificates in an effort to provide good customer service for the parents by not making them turn in a new copy every year. With privacy acts getting more stringent and the responsibility to protect that information getting ever more important, MVPW has decided to no longer maintain copies of any player's personal documents. We do not have the staff to make sure we have a bulletproof process for maintain this information. Please encourage your parents to put the birth certificate in a file that is easily accessible for future registrations.

The League is not obligated to keep the paperwork beyond the end of the season.

Team parents have been asked to remove the paperwork from the team book for each kid and give it to the parents for destruction after the team is done playing games for the season.
