

## Little Scholars Program

Scholastics team coordinators will be responsible for the following:

Calculating the report cards to determine if the player is eligible for MidValley Pop Warner's scholastic recognition or if the player is eligible for the All-American Program.

E-mail all names of players and GPA's to [LouAnn.Spevacek@mvpopwarner.com](mailto:LouAnn.Spevacek@mvpopwarner.com) by Aug. 10.

For those players who filled out a Scholastics Eligibility Form, collect progress reports dated between Sept. 16 and Oct. 16 and fax the form to 1-800-960-4568 and keep a copy with the player's report card in the team book. The form must be received by Oct. 23.

If player qualifies for the All American Program (96% GPA or better), assist player with filling out the All American Application. An important component of this application is the player's community involvement.

Who can apply to be an All-American?

- Students in the fifth grade or higher who have a 96% or higher for the entire year (2008-2009).
- In addition to the grades, Pop Warner National is looking at students who are actively involved in their community. Examples include: babysitting, volunteering with the elderly, leadership programs, team captains, soup kitchen, Sunday School, reading to younger classmates, principals list, academic awards, heart walk, cancer walk, play an instrument, drama, first aid card, animal shelter, etc.
- Time frames for activities are not required; if an activity was just for 30 minutes, it counts.

All American Program applications need to be turned in no later than Oct. 1.

These can be mailed to:

MVPW Scholastics  
PO Box 1112  
Albany, OR 97321

The minimum GPA for recognition from MVPW is 86%.
